Judco Manufacturing, Inc

Conflict Minerals/Metals Statement

In response to customer inquiries regarding compliance with Section 1502 of the Dodd-Frank Act, relating to conflict minerals (also referred to in the marketplace as “conflict metals”) originating from the Democratic Republic of Congo (DRC) and neighboring countries, Judco Manufacturing, Inc. has prepared this statement. The scope of this statement is limited to the Conflict minerals currently defined as Tin, Tantalum, Tungsten, and Gold; also referred to as “3TG minerals.”

Judco Manufacturing Inc. has contacted our direct suppliers and certifies to the best of our knowledge that our supply chain does not contain any minerals or materials originating from or processed (smeltered) within the Democratic Republic of Congo or adjoining countries.

As a privately held company, we are not subject to the SEC disclosure requirement of the DoddFrank Act, however to support our customers worldwide and our corporate commitment to environmental compliance, we are committed to ensuring that our suppliers are DRC conflict-free.

We will continue to work with our key suppliers to ensure that we are able to identify the use of Conflict Minerals in our supply chain, and the representations made in this compliance statement remain accurate. To that end, we reserve the right to amend this statement at any time based on subsequent developments or information.

A handwritten signature in black ink, appearing to read "Kurt George", is written over a light gray rectangular background.
